- (ii) activities forming part of a statutory system of social security or public retirement plans; and
- (iii) other activities conducted by a public entity for the account or with the guarantee or using the financial resources of the Government.

(c) For the purposes of subparagraph 3(b) of Article I of the Agreement, if a Member allows any of the activities referred to in subparagraphs (b)(ii) or (b)(iii) of this paragraph to be conducted by its financial service suppliers in competition with a public entity or a financial service supplier, "services" shall include such activities.

(d) Subparagraph 3(c) of Article I of the Agreement shall not apply to services covered by this Annex.

2. *Domestic Regulation*

Where such measures do not conform with the provisions of the Agreement, they shall not be used as a means of avoiding the Member's commitments or obligations under the Agreement.

(b) Nothing in the Agreement shall be construed to require a Member to disclose information relating to the affairs and accounts of individual customers or any confidential or proprietary information in the possession of public entities.

3. *Recognition*

(a) A Member may recognize prudential measures of any other country in determining how the Member's measures relating to financial services shall be applied. Such recognition, which may be achieved through harmonization or otherwise, may be based upon an agreement or arrangement with the country concerned or may be accorded autonomously.

(b) A Member that is a party to such an agreement or arrangement referred to in subparagraph (a), whether future or existing, shall afford adequate opportunity for other interested Members to

negotiate their accession to such agreements or arrangements, or to negotiate comparable ones with it, under circumstances in which there would be equivalent regulation, oversight, implementation of such regulation, and, if appropriate, procedures concerning the sharing of information between the parties to the agreement or arrangement. Where a Member accords recognition autonomously, it shall afford adequate opportunity for any other Member to demonstrate that such circumstances exist.

(c) Where a Member is contemplating according recognition to prudential measures of any other country, paragraph 4(b) of Article VII shall not apply.
